### ACCOUNTANT (100%) (M/F/D)

INTERHOLCO (IHC), founded in 1962 and headquartered in Baar (Switzerland), is an internationally active B2B trading and industrial company. The group supplies customers in over 40 countries and manages complex international supply, payment and service flows. Our Congolese subsidiary IFO (Industrie Forestière de Ouessou) sustainably manages 1.16 million hectares of FSC®-certified natural forest and processes timber locally into high-quality products. With over 1,200 employees, IFO is part of a globally consolidated group of companies with high standards for accounting, compliance and transparency.

To strengthen our Finance team in Baar (ZG), we are seeking a committed individual to join us as **an Accountant** as part of our succession planning.

#### ROLE OBJECTIVE

In this role, you will independently take on key tasks in financial accounting and work closely with the Senior Accountant and Finance Management. You will be responsible for defined areas of the role and will develop your skills progressively.

#### YOUR RESPONSIBILITIES

- You will independently manage accounts payable and accounts receivable for defined areas.
- You will post transactions to the general ledger and ensure correct account allocation.
- You will prepare payments and carry them out, in some cases independently.
- You will play an active role in monthly, quarterly and annual financial statements and take on your first areas of responsibility for closing the accounts.
- You will create accruals and provisions and carry out reconciliations.
- You will assist with the preparation of VAT returns and tax declarations.
- You carry out regular account reconciliations and resolve discrepancies independently.
- You will assist with budget and forecast processes.
- You will assist with internal controls (ICS) and audit preparations, and act as the point of contact for specific areas.
- You will work with internal and external stakeholders (e.g. HR, Controlling, auditors).

#### IT & Processes

- You are proficient in the ERP system (e.g. SAP) and take responsibility for data quality in your area.
- You use MS Excel for evaluations, reconciliations and simple analyses.

## CAREER OPPORTUNITIES

---

- You will play an active role in optimising processes and workflows.
- You will support automation and digitalisation projects in the finance department.

### YOUR PROFILE

- You hold a qualification as a specialist in finance and accounting (e.g. a professional certificate or equivalent).
- You have approximately 2–4 years' professional experience in financial accounting.
- You have in-depth knowledge of accounting, ideally in accordance with IFRS.
- You have experience with ERP systems (e.g. SAP) and good Excel skills.
- You speak German very well; you have a good command of English, and knowledge of French is an advantage.
- You work independently, in a structured manner and are reliable.
- You are resilient, take responsibility and think proactively.
- You are interested in process optimisation and digitalisation.

### GOOD TO KNOW

- You can expect a varied role with increasing responsibility.
- You have the opportunity to progress towards a role as a Senior Accountant.
- You will work in an international environment.
- We support you with further training and your personal development.
- You'll benefit from attractive social security and benefits .
